Tomatoes			Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak
Turnips	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak	Peak
Vidalia Onions												
Watermelon												

 Peak Harvest
 Season Extension

Eating local means eating seasonal. This harvest calendar reflects the diverse array of sustainable produce available from local farms during peak season and season extension periods. The calendar was produced by local farmers for Georgia Organics, a nonprofit organization integrating healthy, sustainable and locally grown food into the lives of Georgians. Join us today. For more information, visit www.georgiaorganics.org.
